

TFF (Thin Film Filter) Coating

DWDM Filters

► Products

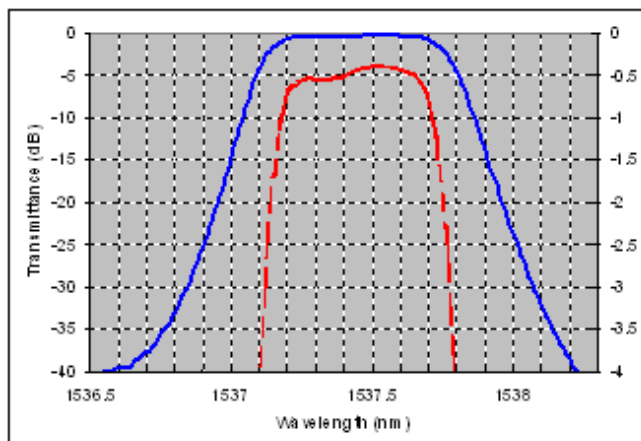

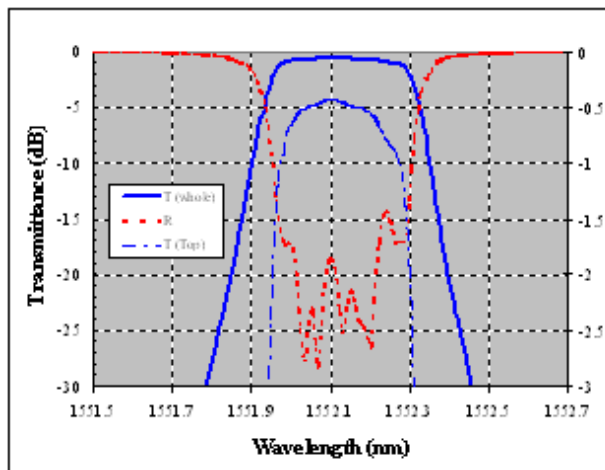

- 50GHz DWDM
- Standard 100GHz DWDM
- Low CD 100GHz DWDM
- 200GHz DWDM
- 100GHz 4skip0
- Other custom DWDM and Band Separators/Channel Splitters
- CWDM 8skip0
- CWDM on grin lens
- 850nm CWDM
- Custom CWDM

► Features

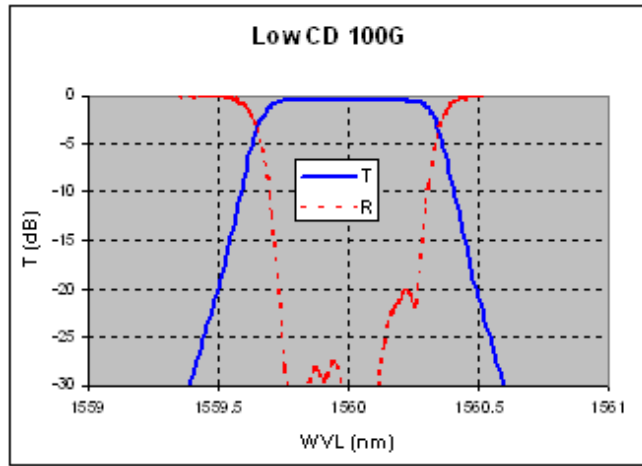

- Small insertion loss within pass band
- Small ripple (insertion loss variation) within pass band
- High transmission isolation
- High reflection isolation within pass band
- Low PDL and TDL
- Low temperature dependent wavelength shift
- High environmental stability and reliability

► Sample Spectra

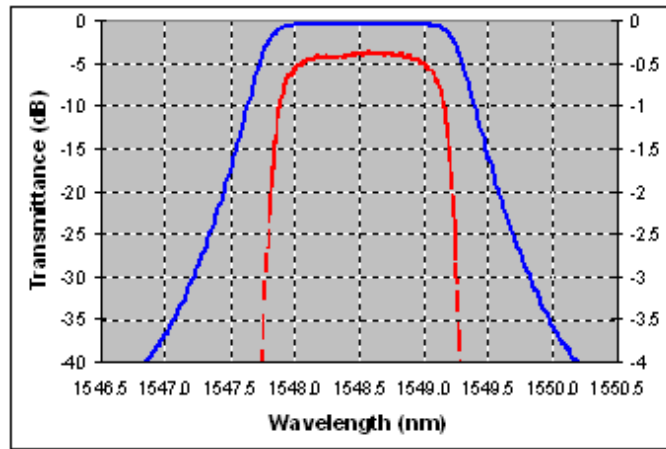

- 50GHz DWDM Filters

- LOW CD 100GHz DWDM Filters

- 200GHz DWDM Filters

- 100GHz 4skip0 Filter
